Please refer to this calendar for class payments, cancellations, and holidays. There are times when we run special theme weeks that require the students to bring something with them to class.

If you do **not** wish to continue into February please let us know before February 1st. Some classes do carry a waiting list so your cooperation with this matter is appreciated.

Theme weeks - We run our theme weeks for two weeks. We will run a lesson about the heart muscle around Valentine's Day. During beach week the students may wear bathing suits and bring towels and other beach-like props to class.

Make-up classes - Make-up classes are available for all currently registered students. Any time you are not able to attend class you may do a make-up. Please refer to the recreational class schedule for an appropriate make-up time. **Please call the gym to schedule all make-ups in advance so we can make sure we have proper staffing.**

A reminder to all - If the weather is inclement, please call the gym one hour before class time to make sure we are having class. If class is canceled there will be a message stating so, otherwise, class is on as scheduled! Class cancellations will also be posted on our [Facebook](#) page.
